Delivering Comprehensive Interior Works for Turnkey Project

This turnkey project covers complete interior finishing and installation works, ensuring the site is delivered in a ready-to-use state with premium quality and aesthetic appeal. The scope includes false ceiling systems, ACP cladding, color painting, electrical fittings, and accessory supply.

- ❖ The false ceiling work features innovative designs using materials such as gypsum, PVC, or metal panels, enhancing lighting integration, acoustics, and overall ambience. ACP cladding covers both internal and external surfaces, offering a durable, weather-resistant, and elegant finish. Painting work includes surface preparation, primer application, and coats of high-quality paints to ensure a smooth and lasting appearance.
- ❖ Electrical work involves high-standard wiring, fitting, and installation of switches, lights, circuit protection systems, and other accessories as per approved layouts and safety codes. All materials and accessories supplied comply with industry standards and are installed under expert supervision to ensure performance, safety, and longevity.
- ❖ The overall execution follows strict quality control measures and precise coordination to deliver a complete, reliable, and aesthetically refined space ready for client use.

❖ **Luxury Modular Furniture:**

The project also includes the design, fabrication, and installation of luxury modular furniture that blends functionality with refined aesthetics. Each furniture unit is crafted using premium-grade materials and precision manufacturing techniques to ensure durability, style, and comfort.

Exclusive hardware fittings, such as soft-close hinges, telescopic channels, and imported handles, are used to enhance both the visual appeal and operational smoothness of every unit. The modular setup allows flexibility, efficient space utilization, and a modern look that complements the overall interior design theme.

❖ **Antient, Royal, Teakwood Furniture:**

We also specialize in delivering antient, royal, and teakwood furniture, meticulously crafted for bungalows, farmhouses, and restaurants. Our collection features classic designs and authentic woodwork inspired by

royal heritage and traditional artisan techniques. we make all from premium teakwood, ensuring long-lasting durability, distinctive grain patterns, and luxurious finishes. This exclusive range brings timeless elegance and regal charm to every space, creating a warm and sophisticated ambience perfectly suited for luxury homes and elite hospitality.

- ❖ **The goal** is to execute all tasks within specified timelines while maintaining strict adherence to safety standards, quality controls, and client requirements. The scope also includes coordination with other engineering disciplines to ensure seamless integration of all facilities into the overall infrastructure of the turnkey project.
- ❖ **Beyond** furniture, we provide end-to-end interior solutions that include space planning, design consultation, material selection, false ceilings, lighting, flooring, and more.
